

SAFETY BARRIER REELS

APPLICATION

Fitted with woven webbing in fluoro orange, pink or yellow, or plastic chain in bright yellow, ReCoila's barrier reels are the ideal way to quickly and efficiently set up safety barriers for restricted access areas.

These safety barrier reels efficiently limit pedestrian access to workshops, factories and roller doors.

FITTED WITH 50mm wide webbing (orange, yellow or pink) or 6mm wide chain (yellow)

WEIGHT 12kg

SAFETY BARRIER REEL WITH WEBBING
